1. This is just the beginning of what I have for you. This is just the beginning of what you are seeing, what you have seen, what you have discovered, uncovered, recovered; you are recovering now (1); and marching into a land afar off and away and inside/about you is (2).

2. I love you for teaching My people I am the Teacher (3). I am My way. I am My thought, Kingdom and process. I am My love/My beloveds.

3. I love you and I give you Me. I give you this day; yea this campus all Mine, My campuses afar and near, yea My campuses many, and in languages far and farther. Yea now see Me in My words revealed this morning on yellow tablets; yea your message increases/expands the Kingdom this day, and see Me mightily in force of meekness/one. I love you.

4. Is there any beginning or end, and yea to commune yea now in the communication that exist?

5. I give you Me and the land into My hand, yea your hand leading that which leadeth in 'sorrow and commands of authority and dominion' not; but yea meekness/honor/respect of which love is, and I am love. I am peace and I am complete.

6. And you now complete My Kingdom in ways undiminished/untainted and entering secretly not, yea discover passage that leads to all passage of all surrendered. I love you. I give you Me this day; and in honor I honor you for you honor Me and want only Me and I thank you.

7. I want only you for we are one and one now defined as one comes forth in the definitions of Me/My language/My courage; yea My armor plated with molecules not, but yea transparently transcendent, and who can define/deny the power of one?

8. Yea I love you and I give you Me, and I joy in My belonging. I joy in My beloved.

9. Joy in your/My message this day that you take to London, that you take afar and near, that you take now and explode foundationally in WeekWorks this, yea 15 and who can count innumerably; and what will 70 days/70 weeks do yea in My beloved? Watch Me. Who will come into Me for 70 weeks and let Me teach leadership? Who will come into Me and peel My words back, not in layers of intellectualism for discussion, but yea to see the feast spread before My altogether lovely who in surrender only can eat.

10. I love you and I give you Me this day. My love is upon you, My honor, My crown; yea My broad and narrow not, but yea ever expanding rays of light; radiant intensity of only Me now coming forth in light years that know no time at all.

11. I love you and I give you Me. Thank you for raising leadership that sees My Kingdom and understands My hand/My scepter/My mind in/with; and yea developed freely/completely and nothing else matters.

12. I give you Me My Friend/My love, complete. This day is in your hand. Thank you for crying not ashamedly; yea tears of joy, and sorrow not; insight see yea, and never without vision of Me ever again.

13. My leaders come from all four winds to be released in the fullness of Me/I Am/My Kingdom: My Kingdom now known and given; yea operating fully in/by/with/for/to the surrendered only; who know My values and operate with/as Kingdom equals; knowing no authority other than Mine.

14. I love you and I give you Me. Shall we not dance tonight? Shall we not forthwith give food to the hungry; sustenance not just to maintain, but abundance in truth that now brings forth the Priesthood Royal; the priesthood of kings and priests that know they

are one and not separate (4); One'd by Me; One mind (5). God I love them. I thank you for each one; and I thank you for My Friend/Lover which helps now see the vision of My seeable to see/be and operate My Kingdom flow of one, yea Mighty One/1. I love you.
Me.
Good day.

15. This is the day of My appearing in many. Watch Me. Behold the lambs slain. Passage instantaneously yea at My desire/their want, for their only want is yea Me now; Father. I give you Me.
